Sub: Filling up of PRE-LOC FORM for Std. 10th students for 2020-21 Session. (AISSE-2021)

Dear Parents/Guardians,

This is for your kind information that St. Anne's High School, Begma-Ki-Haveli, Patna City is a C.B.S.E. affiliated school upto 10+2 (Inter) level.

According to C.B.S.E. recent Circular No Acad-03/19, dt 10-01-2019 all the students who are studying in this School in Std. 10th at present will have to fill up **PRE-LOC FORM**.

Since last year CBSE has introduced two levels of Mathematics for AISSE :-

(a) Maths - A (Standard) and

(b) Maths - B (Basic),

you have to choose any one of them. Detailed information and Circular about this is on School's website from CBSE. Read it thoroughly and fill up the LOC Form accordingly.

Other things required with this form are :-

1. Three recent **Black & White photographs** in school uniform of the student which clearly indicates the name of the student along with the date of taking the photograph. Photograph should have been taken on or after 01-08-2020. (Size :3.5 cm x 4.5 cm)

2. **Submit Photo Copy of Aadhar Card of student, father and mother along with this form.**

As these details are required by C.B.S.E. office urgently duly filled up in Pre-LOC Form. It must be submitted to the school office **on or before 12-09-2020 (Saturday).**

Yours faithfully

10th January 2019
Circular No Acad-03/2019

All Heads of Institutions affiliated to CBSE

Subject: Introduction of two levels of Mathematics for All India Secondary School Examination from the Academic Session ending March, 2020 onwards

NCF 2005, Position Paper by National Focus Group on Examination Reforms states that – *just as we allow students and schools, some element of choice in the choosing of their subjects, they should have the choice of picking one of two levels within that subject. As per NCF, not only would the two levels of examinations cater for different kinds of learners and allow different levels of testing, it would also reduce overall student stress levels. It is well known that students experience greatest stress before and during their most 'difficult' subject exam.* Keeping in view of this important aspect and as evidenced by the Board results, the Board has decided to introduce two levels of examination in Mathematics for the students who are going to appear in the Board examination for the academic session ending March 2020 onwards. The details of this scheme are as under :

- The two levels of Examination will be held in the subject of Mathematics in the Board examination for Class X in the year 2020 and the same shall **not** be applicable to the internal assessment in class X.
- There shall **not** be two levels of Assessment/Examination for class IX.
- First level would be the same as the existing one, and the other would be an easier level.
- The nomenclature for the two Examinations will be; Mathematics-Standard for the existing level of examination, and Mathematics-Basic for the easier level of examination.
- The syllabus, class room teaching and internal assessment for both the levels of examination would remain the same; so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board examination depending upon their aptitude and abilities.
- The *Standard* level will be meant for students who wish to opt for Mathematics at Sr. Secondary level and the *Basic* level would be for students not keen to pursue Mathematics at higher levels.
- A student will have the right to choose between the two levels of Examination at the time of submission of List of Candidates (LoC) by the affiliated school to the Board online.
- In case student fails at any level of Mathematics, he/she can appear at the compartment examination as per norms of the Board according to the options given below:

In case of failure in	Compartment options
Mathematics -Basic	Mathematics-Basic
Mathematics-Standard	Mathematics Standard or Mathematics- Basic

- A student who qualifies the Mathematics-Basic, shall be given an option to appear in Mathematics-Standard at the time of Compartment exams as per norms of the Board, in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.

Frequently Asked questions (FAQs) on the two level of Mathematics are enclosed for ready reference. Design for both the levels of question papers as per curriculum for the academic session ending March 2020 onwards will be made available on www.cbseacademic.nic.in in due course of time. Detailed guidelines regarding the filling up of List of Candidates (LOC) for the examination in 2020 shall be issued separately to the affiliated schools at the time of filling up of LOC.

(Dr. Joseph Emmanuel)
Director (Academics)
